

# QD/USB A30 UC

Axtel QD/USB A30 UC is an entry level adapter that allows swift and effortless connection of your Quick Disconnect headset to a PC supplied with a USB port.

## Key features:

- USB/QD cable without buttons
- DSP
- AGC

## Description:

The Digital Signal Processing Technology eliminates echo in the speakers to improve the quality of your business calls over a softphone. Automatic Gain Control Technology immediately adjusts microphone sensitivity to the sound level to guarantee comfort throughout a phone call. The QD/USB A30 UC is a perfect economic solution for Contact Centers and companies with a limited budget that want to make the most of their QD headsets. Backed by a two year standard warranty.
