

Axtel M2 Duo NC

Professional and Economical Solution

The M2 NC professional headsets line possesses all the features that ensure comfort while working. Its noise-canceling microphone utilizes noise reduction and operates well, even in a noisy environment.

Its wideband sound improves audibility and offers users more freedom in their communication. Furthermore, the M2 NC line is equipped with Acoustic Protection technology, which eliminates harmful tones and guarantees safe use. The Axtel M2 NC headset is a professional and high-quality solution for a reasonable price. Functional and comfortable, it is compatible with every telecommunication system. It's universal cord QD makes it easy to connect it to a desk phone, mobile phone or a computer. Its ultralight construction makes it convenient to use even during extended use.
