Say goodbye to tangled wires and hello to true mobility with our Pro BT Headset.

Make it your everyday companion and never miss a call or beat - the Pro BT offers up to **30 hours of talk time, up to 45 hours of listening time**, and a stand-by time of impressive 20 days.

And when you need to recharge, simply use the ubiquitous USB-C port. Pro BT Headset, is compatible with all your devices due to its support of major protocols.

Take control of your audio with ease, as you can skip tunes or change volume right on the headset without having to reach for your device.

Plus, with Pro BT you can temporarily silence the microphone by simply raising it up, ensuring your privacy in sensitive conversations

Every PRO BT purchase comes with a **USB-A PRO BT Dongle** at no additional cost. This dongle allows for seamless Microsoft Teams integration with the headset. Additionally, if you have an older laptop or a work computer that does not support Bluetooth, the **PRO BT Dongle** is a perfect solution.

Designed for all-day comfort, the Pro BT Headset is lightweight and thanks to memory foam in earpads it fits comfortably, making it the **perfect choice for extended use**.
