Description:

Imagine video meetings that feel as natural and engaging as face-to-face conversations. The AX-4K Video Bar Mini makes it possible. This innovative device seamlessly integrates into your workspace with a single USB cable, eliminating setup hassles. Powered by cutting-edge AI, the AX-4K Mini keeps you and your team in the spotlight. Say goodbye to framing adjustments, smart features like automatic speaker tracking and auto-framing ensure everyone is always in the perfect view. **Crystal clear communication is paramount.** The AX-4K Video Bar Mini boasts a built-in double microphone array with advanced noise cancellation, so every word comes through crisp and clear. The high-fidelity speaker delivers rich, natural sound, ensuring you hear every detail of the conversation. **Immerse yourself in stunning visuals.** The 4K camera captures exceptional picture clarity, showcasing even the subtlest details. The wide-angle lens ensures everyone in the huddle room is seen comfortably, fostering a sense of togetherness even when physically apart.

Upgrade your video conferencing experience and transform your meetings into seamless, productive collaborations.
