Description:

The Axtel One BT Stereo is a professional wireless headset designed for seamless device switching with Bluetooth® dual connectivity and a USB-A dongle. Its 40mm HD stereo speakers and noise-canceling dual microphones deliver exceptional audio clarity. Enjoy up to 40 hours of talk or music time, quick 20-minute fast charging, and all-day comfort with swappable vegan leather cushions. Plug-and-play functionality and MS Teams compatibility simplify workflows, while its EU design ensures quality and sustainability. One BT is perfect for professionals seeking mobility, performance, and style.
